HELPING TRANSFORM LIVES

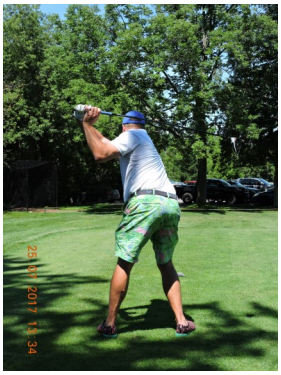
Hello Valued Sponsor,

In the past nine years the Orchard Beach Open Pro-Am has raised $46,000 for the Southlake Regional Cancer Program. It is only through the efforts of our sponsors, the participants and our hard working staff that this event has been a great success year after year.

In 2018, our goal is to get our contributions over $50,000 and we are asking for your help once again. Your support will be acknowledged leading up to the event through various social media platforms and shared extensively within our community. You will be recognized at the event both through our event program given to all 68 players (both guests and our participating Professionals) and also through on course signage, pin flags and during our after round presentations.

Your generosity will help support a cause that too many of us have been touched by directly and will exhibit to both your industry partners and the community at large that cancer is something we can fight together. We have provided you with a list of options in the sponsorship package and we appreciate your support of our efforts to make our community an even greater place to live.

The Orchard Beach Pro-Am committee and our many volunteer's appreciate your support and efforts to enhance the quality of care our local patients receive at Southlake Regional Cancer Center. Your generosity will ultimately alleviate some of the pressures of travel and costs our cancer fighters must endure today to receive their necessary care. Thank you for supporting our cause and we look forward to having you join us in the fight against cancer.

Thank you,


Ken Hamilton
