Gary Glenister, Master Teaching Professional

Gary Glenister is a Master Teaching Professional with the United States Golf Teaching Professionals, bringing 35 years of experience in golf instruction. He has coached golfers of all levels, from junior to adult golfers, up to and including NCAA scholarship athletes. Helping each of them refine their skills and reach their full potential.

Throughout his career, Gary has developed and led golf instruction programs for municipalities, various golf clubs, and private lesson programs. His teaching philosophy focuses on making the game less complicated and more enjoyable while providing each student with a solid foundation to build their game.

With a commitment to fostering a positive learning environment, Gary encourages confidence and a strong mindset in every golfer he coaches. His passion for the game and personalized approach ensure that players of all skill levels improve while having fun on the course.
